**Saturday 7<sup>th</sup> October - Training**

We will be holding an 'informal' training session for those who wish to come down and sample some tidal River sailing before the Open Meeting. There will be a £5 fee for visitors to cover the costs.

Penny Yarwood and Simon Hopkins will be in the Safety Boats to offer advice where needed to those puddle sailors joining us. As always I suspect there will be plenty of boat swapping going on!

High Tide is 14.45 so we need to be on the water at about 12.45 and can sail until approx. 3.30pm if you don't mind muddy feet getting the boats out.

The afternoon can be set aside for Boat Bimbling and discussion of the racing rules specific to River racing or the more adventurous can sample the delights of Southend-on- sea

**Saturday Evening**

Camping/Camper van pitches are available on site and the Bar in the club will be open till late.  
Dogs welcome inside and outside the clubhouse.

We propose an "Eat In" where food will be collected from whichever take away you fancy.

Please let us know if you intend to come for the 2 days.
